I called Rob May (847.596.8670) of the City of North Chicago's Redevelopment Department. He would like to meet with the U.S. EPA Region 5, Illinois EPA, and the Mayor of North Chicago (Honorable Bette Thomas) on a Wednesday morning at 10:00 a.m. This is a standing meeting time he has with the Mayor every week.

The subject of discussion would be the Fansteel and R. Lavin (North Chicago Refiners & Smelters) properties. The City of North Chicago is being approached by representatives of R. Lavin and Fansteel regarding their respective properties.

We need to arrange a mutually agreeable day to meet and brief the Mayor and City of North Chicago on both of these sites (liability, cleanup costs, etc.).

Thank you. I will be back in the office on Monday, April 29th.
